Residential Summer Camp

Come join Camp K in making unforgettable memories! Our goal is to provide a summer camp that promotes a healthy lifestyle for individuals with physical and cognitive disabilities, utilizing recreation and therapeutic leisure education.

Connecting with people who share similar circumstances is beneficial and helps increase self-efficacy. Camp K is proud to have 2 specialty programs; one for individuals with Neurofibromatosis (NF) and one for individuals who have had organ transplants. These two specialty programs are one of a kind and attract participants from all over the country!

The five-day, four-night residential camp begins Monday morning, and ends Friday at noon. Campers stay in bunk-style cabins with restrooms, and have 24-hour supervision by our trained staff. Each participant will have the opportunity to participate in arts/crafts, canoeing, nature, horseback riding, low/high ropes course, climbing wall, swimming, fishing, and much more.

****Pick-up time is 11:30 am on Friday. A \$50 fee will be added if camper is not picked up within 30 minutes of pick-up time.****

Travel Trip Adventures

See the enclosed flyer for details about the 10 exciting trips we have planned this summer. Prior approval is required to attend trip camps. Interested campers will be contacted by program managers after receiving trip camp registration. Campers need to be able to function on a strict 4:1 camper to staff ratio, be able to take care of their own personal care needs, and have no current tendency of wandering/running, or aggression to self or others. ****Pick-up time is 1:00 pm on Friday. A \$50 fee will be added if camper is not picked up within 30 minutes of pick-up time.****

IMPORTANT INFORMATION — PLEASE READ

Nurses are on-site during the day and evening, and on-call at night. Financial aid/scholarships are available to those who qualify. If awarded the scholarship, it will only be applied to 1 week. All campers must be free from illnesses at time of check in. Due to county safety standards, all campers who have a history of incontinence or a recent sickness must wear swim diapers in the pool. Camp K will not provide these, but they may be purchased at any medical supply store, and some drug stores. Campers may be sent home at any time for illness or behavior issues towards other campers or staff.
