**Residential Summer Camp**

Come join Camp K in making unforgettable memories! Our goal is to provide an environment that promotes a healthy lifestyle for individuals with physical and/or cognitive disabilities, utilizing education and therapeutic recreation.

Campers will have opportunities to build relationships, increase independence, and gain more self-confidence. The five-day, four-night residential camp begins Monday morning and ends Friday. Campers stay in bunk-style cabins with restrooms, and have 24-hour supervision by our trained staff. Each camper will have the opportunity to participate in arts and crafts, canoeing, nature activities, horseback riding, low/high ropes course, climbing wall, swimming, fishing, and much more!

**Horse Camp**

The horse camps are structured like the residential camps, with five- day, four-night residential camps beginning Monday morning, and ending Friday. Campers stay in bunk-style cabins with restrooms, and have 24-hour supervision by our trained staff. Campers will have the opportunity to spend time in the Equestrian Center where they will learn horsemanship skills, as well as spend time feeding and riding them. Weight limit to ride horses is set at 225 lbs., this is to ensure safety for our campers, as well as all of our horses. The horses are subjected to change throughout this summer based on the availability of each horse’s health.

**Important Information**

Camp reservations are on a first-come, first-served basis. All new campers must complete intake interview prior to attending. The supervision ratio is one counselor for every four campers. If your camper needs a higher level of supervision, prior approval must be given. Contact one of our Program Coordinators to discuss. Nurses are on-site during the day and evening. Financial aid/secondary scholarships are available to those who qualify. If awarded the scholarship, it will only be applied to one week. **All campers must be free from illnesses at time of check-in.** Any camper with a history of seizures must wear a life jacket during all water activities. Due to county safety standards, all campers who have a history of incontinence or a recent sickness must wear swim diapers in the pool. Camp K will not provide these, but they may be purchased at any medical supply store and some drug stores.

Campers may be sent home at any time for illness or behavior issues towards themselves, other campers, or staff, and there will be no refund of the camp fee. Scheduled activities are contingent upon weather, emergencies, etc. Canceled activities will not be rescheduled. For special diets, participants are required to bring their own food.

**Drop off is between 8 am-10 am Monday morning. Please keep in mind this is the first day of camp, and could take up to one hour to properly check in. All Parents/Guardians MUST stay with their camper until the full check in process is complete. Pick-up time is 11:30am-12:00pm on Friday (Awards ceremony for campers at 11:00 am). A $50 fee will be added if camper is not picked up by 12:00pm and for each 30 minutes thereafter.**
