

Residential Summer Camp

Come join Camp K in making unforgettable memories! Our goal is to provide a summer camp that promotes a healthy lifestyle for individuals with physical and cognitive disabilities, utilizing education and therapeutic recreation.

Connecting with people who share similar circumstances is beneficial and helps increase self-efficacy. The five-day, four-night residential camp begins Monday morning, and ends Friday. Campers stay in bunk-style cabins with restrooms, and have 24-hour supervision by our trained staff. Each camper will have the opportunity to participate in arts and crafts, canoeing, nature, horseback riding, low/high ropes course, climbing wall, swimming, fishing, and much more!

Horse Camp

Camp Kostopulos is holding four horse camps in July! The horse camps are structured like the residential camps, with five-day, four-night residential camps beginning Monday morning, and ending Friday. Campers stay in bunk-style cabins with restrooms, and have 24-hour supervision by our trained staff. Campers will have the opportunity to spend time in the Equestrian Center where they will learn how to groom and care for the horses, and spend time feeding and riding them. Weight limit to ride horses at camp is set as 225 lbs. This is to ensure safety for our campers as well as all of our horses. The horses are subjected to change throughout this summer based on the availability of each horse's health. Scheduled activities are contingent upon weather, emergencies, etc.

****Drop off is between 8 am-10 am Monday morning. Please keep in mind this is the first day of camp, and could take up to one hour to properly check in. All Parents/Guardians MUST stay with camper until full check in process is completed. Pick-up time is 11:30 am on Friday (Awards ceremony for campers at 11:00 am). A \$50 fee will be added if camper is not picked up within 30 minutes of pick-up time, and for each 30 minutes thereafter.****

Important Information– Please read

Camp reservations are on a first-come, first-served basis. All new campers and parents must be assessed prior to acceptance into our program. The supervision ratio is **one counselor for every four campers**. If your camper needs a higher level of supervision, **prior approval must be given**. Contact one of our Program Coordinators for approval. Nurses are on-site during the day and evening. Financial aid/scholarships are available to those who qualify. If awarded the scholarship, it will only be applied to 1 week. **All campers must be free from illnesses at time of check in.** Any camper with a history of seizures must wear a life jacket during all water activities. Due to county safety standards, all campers who have a history of incontinence or a recent sickness must wear swim diapers in the pool. Camp K will not provide these, but they may be purchased at any medical supply store, and some drug stores. **Campers may be sent home at any time for illness or behavior issues towards themselves, other campers, or staff, and there will be no refund of the camp fee.** If you have any questions, please contact our office at summercamps@campk.org or (801)582-0700 ext. 100 & 107
